“Wednesday Evening Summer Series” by Clay Bond

**B**elieve it or not, we are just one week away from the beginning of our Annual Summer Series. This year’s theme is “Great Questions In The Bible.”

“For Ezra had prepared his heart to seek the law of the LORD, and to do it, and to teach in Israel statutes and judgments.”

*Ezra 7:10*

Questioning is a great way of learning because it stirs up the hearts and minds of individuals, causes us to reason and to think

More than 2000 years ago well-known philosophers like Socrates wandered around Athens asking questions in an attempt to find truth. In modern times the “Socratic Method” was adopted by many universities and became the dominant form of instruction for students.

through things logically. While it may seem ironic, asking great questions is one of the best methods of imparting information.

The Bible is reported to have 3226 questions. The questions that we are going to be discussing over the next several months are designed by God to help us grow spiritually.

As we embark on this year’s Summer Series, let me encourage us all to have the attitude of Ezra who “prepared his heart to seek the law of the LORD, and to do it, and to teach in Israel statutes and judgments.”

Don’t miss out on the lessons to be learned from each of these great Bible questions. Let us also be praying for each of the teachers as they prepare their lessons.

**In Search of the Lord's Way**

The lesson for Sunday, June 7 at 7:30 a.m. on KMOL is entitled, "One of a Kind." The Lord Jesus Christ is one of a kind. Though some say He is simply one great spiritual leader among others or He is like other ancient deities, Jesus is indeed unique in His life and in His teaching.
